HOME PORTAL

Following our recent parent survey, we have noticed that a number of parents have not yet accessed the home portal to view their child's progress. This is a really handy tool as it allows both children and parents to check the current badge being worked towards and what elements are left to complete before gaining the badge. Please follow <https://learning4life.courseprogress.co.uk/register> to register for the home portal.

TERMS AND CONDITIONS

We would like to draw parents' attention to our Swim School Terms and Conditions as this document details some very useful information and guidelines. Please follow <http://learning4life.co.uk/wp-content/uploads/2017/06/Learning4Life-Swim-School-Terms-and-Conditions-May-17.pdf> to view our T&C's.
