Communications to parents

We may need to contact parents from time to time 'en masse' to advise of unfortunate cancellations or events which are due to take place. When this is the case, if we have more than 3 working days notice, we will email parents in the first instance (if we have an email address) and if less than 3 working days we will text parents (if we have a mobile number).

It is therefore essential that parents keep us updated with correct email addresses and mobile telephone numbers. If parents do not wish to be contacted via a particular method please advise our Student Services team.
