

Timings and Floor Plan Guide for Parents/Guardians

We understand that many children and parents may be apprehensive about returning to swimming lessons and the new guidelines are quite daunting!

We have created a simple time plan below which will help explain how lessons will run to time each week that you come to your class, and what parents will be expected to do!

Times used are as an example only, please use your booked class time when coming to the pool. The example lesson time used is 4.30pm.

- **4.25pm** - 5 minutes before your child's class starts you will be asked to form a socially distanced queue outside the fire exit door. Children and their parents will be temperature checked and welcomed onto poolside and asked to undress your child at designated stations. Please remember to wear a facemask and remove flipflops/wear blue overshoes.
- **4.30pm** - At the start of your child's lesson you will be asked to leave poolside and return to your car.
- **4.50pm** - 5 minutes before the end of your child's lesson you should return promptly, via the main foyer area (entrance used prior to lockdown) where the Swim School Receptionist will ask you to wait in the changing rooms for your child. Please tell the Receptionist which changing room you will be in so that we can ensure your child is sent to the correct room.
- **4.55pm** – your child will join you in the changing rooms. Showers and hair/hand dryer will be out of use.
- **5.05pm** – Please ensure that this is the latest time that you vacate the changing room, ensuring that you use the one way system implemented.

We have also created a floor plan to try and make it easier for you to navigate your way around the building once you arrive on the school site for your child's lessons. We hope this helps!
