### **CLASS TRANSFERS**

Due to limited availability, we may not always be able to offer specific teachers on request, however we will always try to accommodate wherever possible and offer suitable alternatives when this is not possible.

### **TERMS AND CONDITIONS**

We would like to draw parents' attention to our Swim School Terms and Conditions as this document details some very useful information and guidelines. Please follow <https://learning4life.co.uk/wp-content/uploads/2024/03/Learning4Life-Swim-School-Terms-and-Conditions-March-24.pdf> to view our T&C's.

### **HOME PORTAL**

This facility is available to monitor your child's progress. Follow the link to register on line - <https://learning4life.courseprogress.co.uk/register>

### **SHOE COVERS**

We would like to make you aware that from the Summer term shoe covers will be discontinued and will no longer be offered. More details of this to follow soon.

### **PRICES**

Due to the recent problems we have had with the pool and to try to keep costs down for parents, we have decided not to increase our prices for lessons from April. However, due to the rising costs of the swimming badges, we will unfortunately have to increase the price of these to £3.50/£4.50 from next term.

### **CREDITS**

Please check with Pool Reception for any credits owed to deduct from the fees before making payment for the new term.

### **Need more information or some help?**
